1. Chung mountain

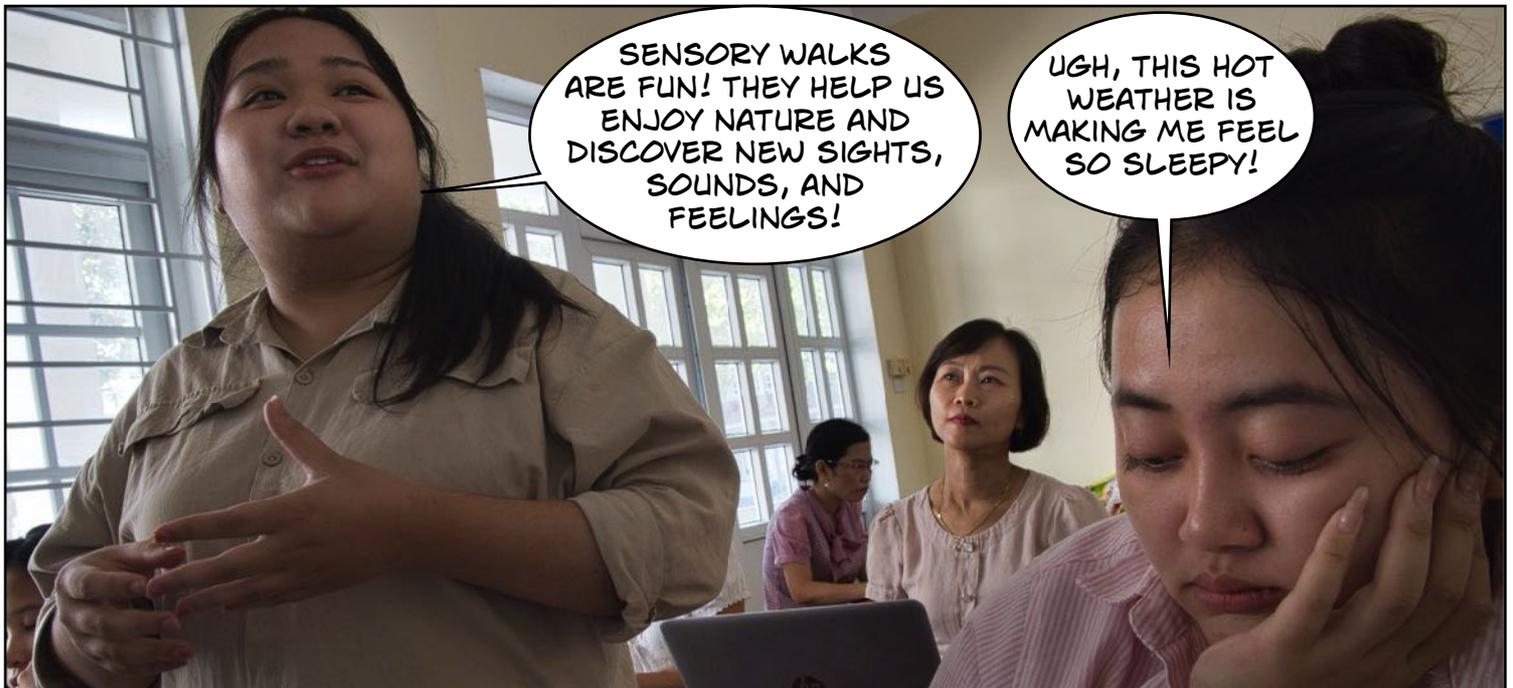

Behind Ho Chi Minh Square stands an artificial mountain modeled after Chung Mountain in Nam Dan District, the hometown of President Ho Chi Minh. It was built using soil transported from Nam Dan and trees collected from provinces across the country, symbolizing the Vietnamese people's deep affection and respect for their roots.

CHECK OUT THIS MAP OF OUR WALK! WE SAW, HEARD AND FELT NEW THINGS IN FAMILIAR PLACES!

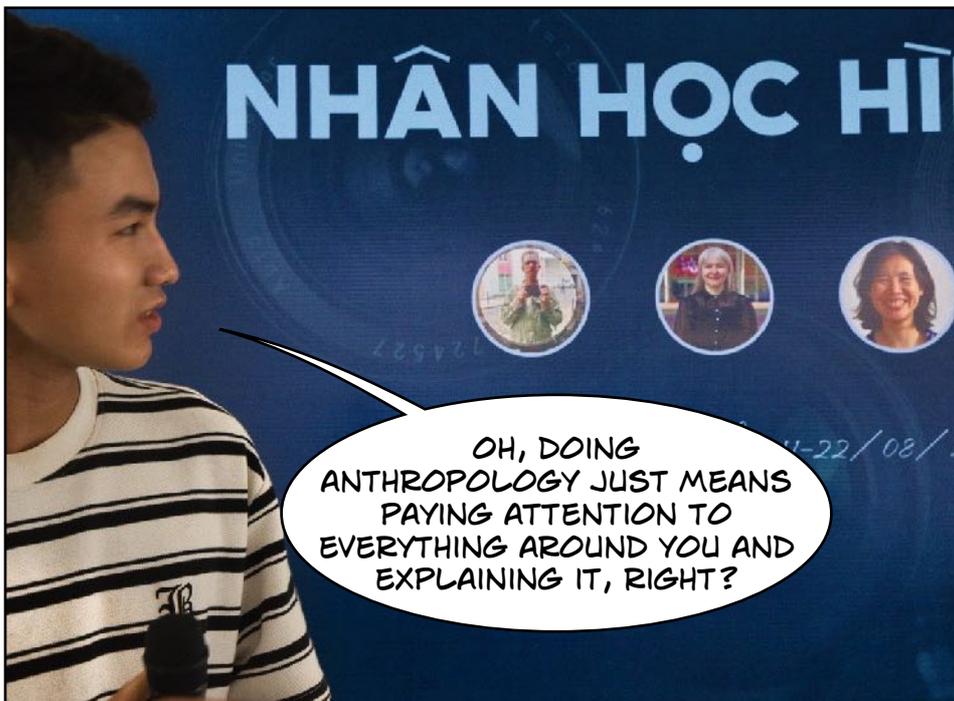

THE LIGHT IS JUST PERFECT! THIS PICTURE IS GOING TO BE AWESOME!

SENSORY WALKS ARE FUN! THEY HELP US ENJOY NATURE AND DISCOVER NEW SIGHTS, SOUNDS, AND FEELINGS!

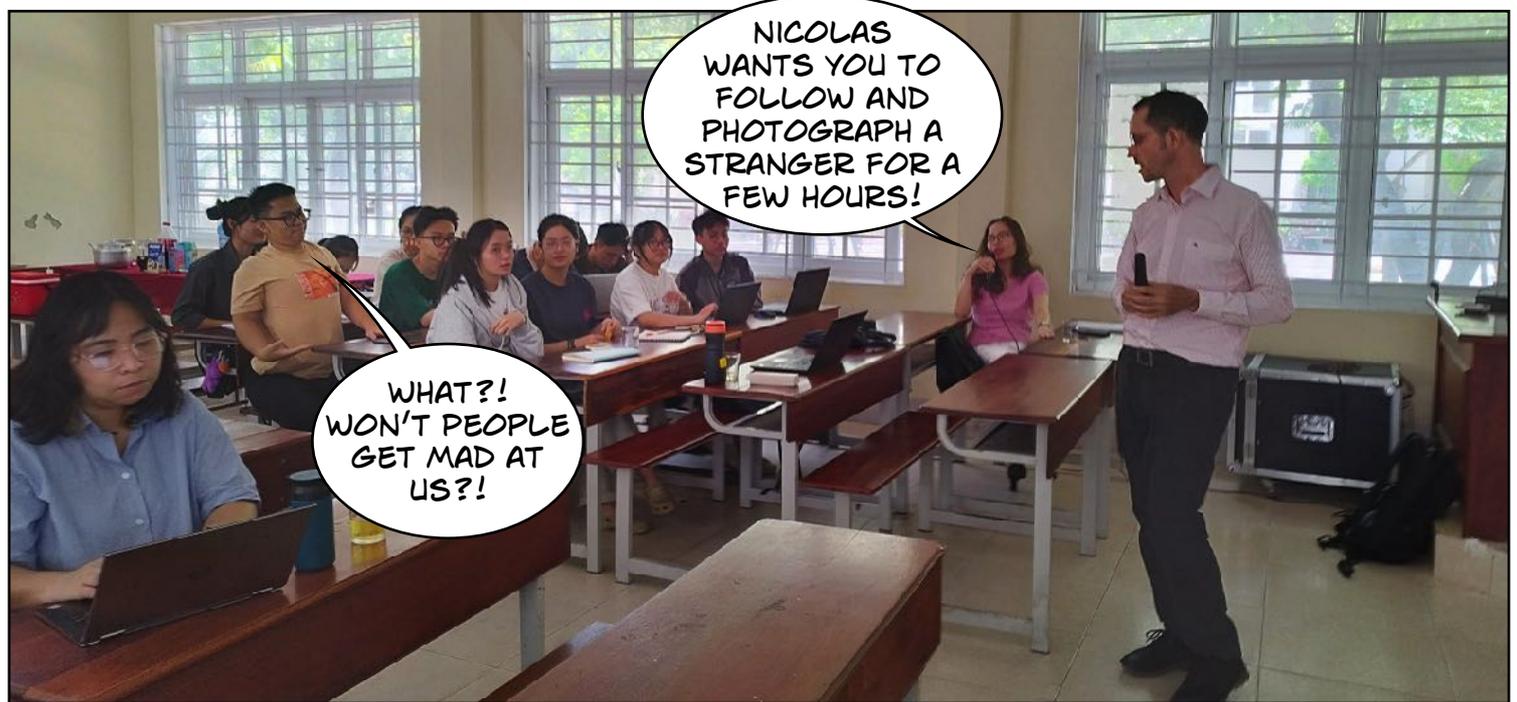

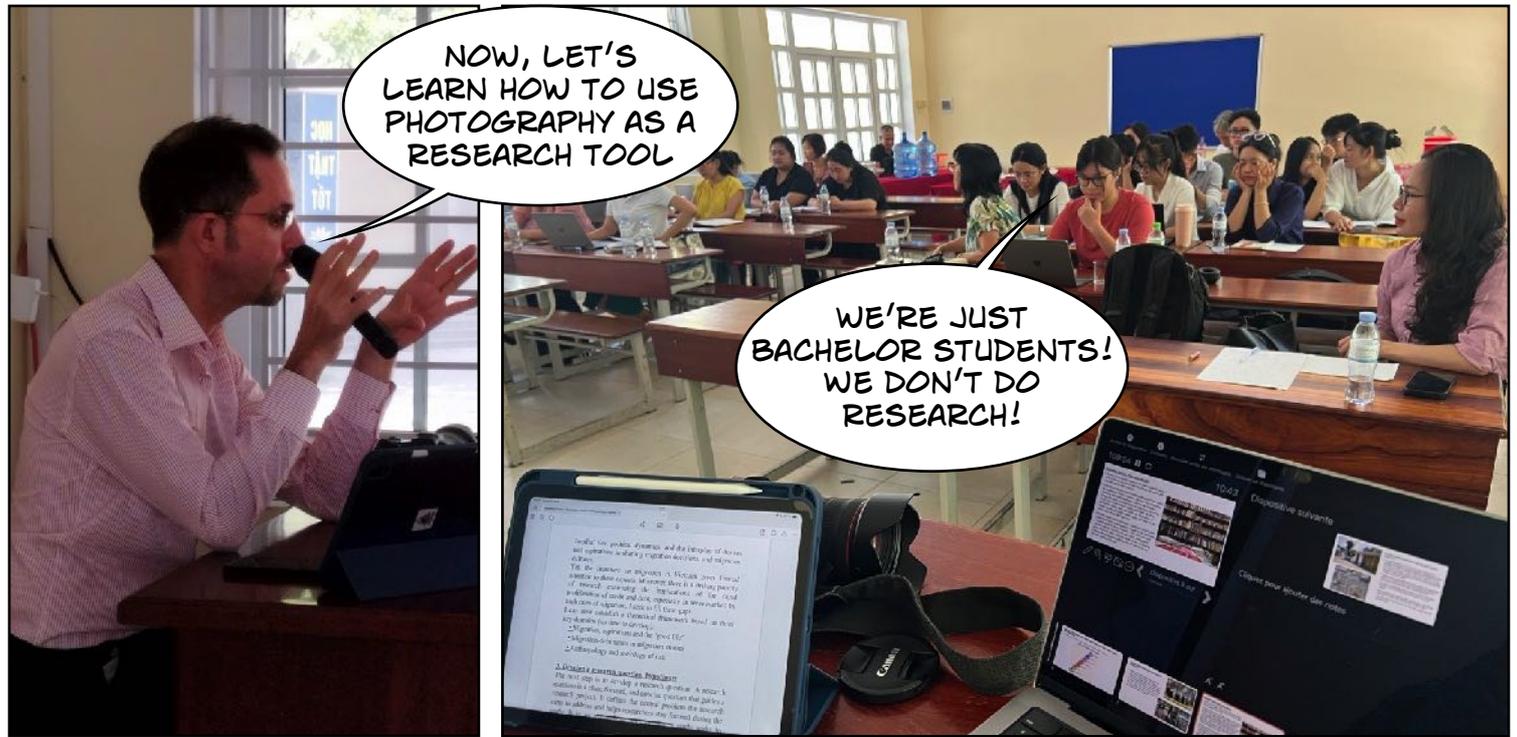

UGH, THIS HOT WEATHER IS MAKING ME FEEL SO SLEEPY!

OH, DOING ANTHROPOLOGY JUST MEANS PAYING ATTENTION TO EVERYTHING AROUND YOU AND EXPLAINING IT, RIGHT?

IT SURE LOOKS LIKE THIS, HUH?!

THIS STUDENT THINKS I LET HER TAKE MY PHOTO BECAUSE SHE BOUGHT ME VEGGIES!

SHE'S SHY AND IT'S HER FIRST TIME DOING VISUAL ANTHROPOLOGY!

I'M SO PROUD OF MY NAILS! PLEASE MAKE THEM LOOK FABULOUS IN THE PHOTO!

I LIKED THIS GIRL BECAUSE SHE REMINDS ME OF MY YOUNGER SELF!

IN ARGENTINA, YOU DON'T NEED TO BUY VEGGIES TO TAKE PHOTOS!

I ALSO BOUGHT VEGGIES FROM THIS WOMAN, AND SHE LET ME SNAP HER PICTURE!

VISUAL ANTHROPOLOGY IS GREAT FOR BUSINESS!

USE THESE WIRELESS MICROPHONES TO RECORD INTERVIEWS!
